1.1   GLS France's shipping solutions

Chez Vous : Delivery at home 24/48h

Your parcel is delivered in 24/48h against signature at the home.
In case of unavailability, a notice card is automatically left to inform the consignee how to pick its parcel up (neighboor, ParcelShop, GLS depot for action of new delivery)
For optimal delivery quality: consignee's e-mail and phone number must be sent to us.
Send from France to France using our offer BusinessParcel, to Europe using EuroBusinessParcel and in the world using GlobalExpressParcel.

Chez Vous + : Flexible home delivery with time slot

Precise information: Indication of the estimated delivery time slot, continuous information by e-mail and SMS to the consignee : the delivery is no longer accepted but chosen!

A successful delivery: the consignee can choose to modify his delivery (date, place, ParcelShop) before the first attempt of delivery.

France and Europe: Chez Vous + is available for your shipments to France and Europe (countries available from your sales representative)

Send your parcel with our products FlexDeliveryService, EuroFlexDeliveryService.

Consignees' emails and phone numbers are required to use Chez Vous +.

Avant 13h : Express delivery before 13h, parcel delivered in hands

Enforced process and dedicated operational means to deliver the next day before 13h. Parcel is delivered in hands.

Send your parcel with our offer ExpresseParcel Guaranteed. The offer depends of the GLS' map of delivery.

Point Relais : Parcelshop delivery

The parcel is delivered directly, at the request of the consignee, to one of the 4800 parcelshop accessible from our partner network.

Send your parcel thanks to our offer ShopDeliveryService for your deliveries in French ParcelShops.
