Te regalamos nuestro nuevo plugin WordPress, gratis para ti y para los tuyos :)

Optimiza tus imágenes. Gana velocidad. Ahorra tiempo y espacio en disco.

¿A qué esperas para probarlo? https://optimizador.io/descargar-plugin/

Optimizando las imágenes tu web cargará a una velocidad mayor, además reducirás el espacio ocupado en disco por las imágenes y el ancho de banda

Los buscadores como Google valoran mucho la velocidad de carga y las webs que lo hacen más rápido tienen un mejor posicionamiento. Optimizando la

Dispones de un asistente gratuito que optimiza todas las imágenes de tu web automáticamente. Solo tienes que pulsar en el enlace que te mostramos

Estamos consiguiendo mejoras del 50% en reducción del peso de imágenes si no las has optimizado previamente y mejoras del 10% si ya las habías op

El servicio es gratuito, más de 30.000 clientes lo han utilizado ya y de promedio sus webs han mejorado 4 puntos en Google Page Speed.

Si ya tienes las imágenes optimizadas no sería necesario optimizarlas, pero si nunca has optimizado tus imágenes con nuestro sistema de optimizac

La optimización reducirá el peso de las imágenes usando métodos de compresión "Lossy", es decir, con pérdida de calidad mínima. Esta es la forma

Guardaremos, durante 30 días, una copia de las imágenes sin optimizar por si detectas algún problema que tengamos que revisar.
